

CONSTRUCTION NOTICE

County Road 39
Between CSAH 7 to CSAH 1.

Bridge Replacement Project
S.A.P. 013-639-004

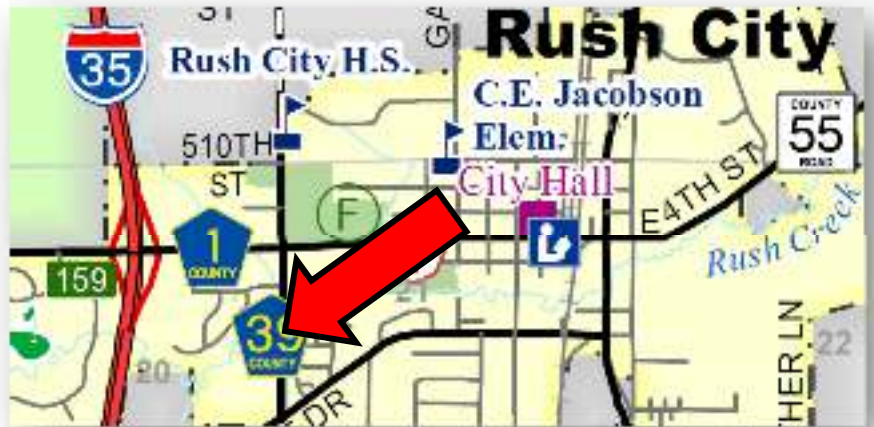

Contractor: Landwehr Const.
Saint Cloud, MN

Where:

- On County Road 39, in Rush City South of CSAH 1.

What has been happening:

Construction on the new bridge has been moving quickly. This past week, crews finished installing the new double box culvert and placed rip rap in and alongside creek. Grass seed and erosion control blankets were placed on exposed top soil to re-establish vegetation and grass along the creek banks and ditch slopes. Keep checking the Chisago County website for further updates as this project progresses.

When:

- Start date: Ongoing
- Estimated construction completion date: Double box culvert is installed. **(NOTE)** The roadway will remain closed until late September-early October, as there is road work scheduled on CSAH 39 between CSAH 1 and CSAH 7 scheduled to begin early August.

Traffic Impacts and what to Expect:

- The project will be closed to thru traffic.
- Access to homes and businesses will be maintained at all times. Please take care while driving through the project area.
- See Project detour map (See link below)
- Construction Signage will be posted prior to and during work.
- Watch for traffic control, pilot cars, and Flag Person.
- For latest updates please visit www.chisagocounty.us, click on Road Construction located on the bottom left corner of the page
