Harris, MN 55032

Where:

- On County Road 39, located in Rush City

What has been happening:

As seen in the attached pictures, work on the section of CSAH 39 between CSAH 1 and CSAH 7 is moving forward. This past week crews installed new concrete storm sewer pipe underneath the proposed road. The storm water retention pond was also built that will help filter and remove traces of silt and/or road debris before being returned to main waterways. Keep checking the Chisago County website for further updates as this project progresses.
