

CHISAGO COUNTY WATER RESOURCES

FACEBOOK PAGE @ChisagoCountyWaterResources

Chisago County Water Resources has a Facebook page for residents to learn more about what is happening on lakes and rivers and how to protect water quality in the county.

Visit @ChisagoCountyWaterResources to view fun pictures and find out about upcoming water related activities, recent projects and programs in Chisago County and in the Chisago Lakes Lake Improvement District (LID).

To learn more about water resources, visit the County Water Resource webpage at <https://mn-chisagocounty.civicplus.com/399/Water-Plan> and the Chisago Lakes LID webpage at <https://mn-chisagocounty.civicplus.com/300/Lake-Improvement-District>. Please like @ChisagoCountyWaterResources and share the page with others!
