Contractor: Knife River Corp.
42945 Harder Ave.
Harris, MN 55032

Where:

- On County Road 93, located in Rusheba Township.

What:

- This project will consist of two separate phases.
- **Phase One:** The purpose of this project will be to install new roadway and driveway culverts that are in poor condition. These culvert crossing will be replaced and backfilled, then “capped” with gravel or asphalt millings and allowed to settle prior to phase two starting. This work is anticipated to take place in early to mid-summer.
- **Phase Two** The second operation will be to mill (grind) and remove the top two inches of the roadway surface. Then pave a new two inch layer of pavement on the roadway. This is a fast construction operation and is anticipated to in mid September. New pavement markings will be installed shortly after.
- **When:**
 - Phase 1
 - Completed
 - Phase 2
 - Start date: Middle of September
 - Estimated construction completion date: End of September

Traffic Impacts and what to Expect:

- Access to homes and businesses will be maintained at all times. Please take care while driving through the project area.
- Construction Signage will be posted prior to and during work.
- Watch for traffic control, pilot cars, and Flag Person.
