County staff and volunteers collect lake level readings on area lakes within Chisago County.

Ordinary high water level is an elevation delineating the highest water level that has been maintained for a sufficient period of time to leave evidence upon the landscape, commonly the point where the natural vegetation changes from predominantly aquatic to predominantly terrestrial.

For more information on lake levels, visit the Lake Levels and Slow-No-Wake Restrictions website site at [www.chisagocounty.us/347/Lake-Levels](http://www.chisagocounty.us/347/Lake-Levels).
