Curbside Recycling

All garbage haulers in Chisago County are required to offer residential curbside recycling along with garbage service. They must also offer businesses a recycling option, but most likely on a fee basis.

The following items may be placed in your curbside recycling bin. If unsure about an item, contact your waste hauler first, and Chisago County second. But if in doubt - throw it out, rather than contaminate a load of recyclables.

- Metals: metal food and beverage cans
- Glass: glass food and beverage bottles and jars, No window glass, and No Pyrex
- Plastics: milk jugs, water, soda, and juice bottles, condiment, dish, and detergent bottles, shampoo, soap, and lotion bottles. No plastics without a recycling number stamped on it
- Paper: office, school, junk mail, magazines, catalogs, newspapers/inserts, cereal, cracker, pasta, and cake mix boxes, shoe and gift boxes, rolls from both paper towels and from toilet paper, toiletry boxes, and phone books. Shredded paper MUST be bagged separately.
- Cardboard: corrugated cardboard boxes; NO waxed or web press tubes/end caps.

These garbage haulers accept curbside-type materials, (tin, aluminum, glass, paper, corrugated), from county residents at the following drop off centers:
